Mmm
I'm the girl with the best intentions
Something I should probably mention

I like to get just what I paid for
Though I pay and I get and I pay and I want some more
More
More

And I want something that I want
Something I tell myself I need
Something that I want
I need everything I see

I'm a girl who's got a notion
I'm a gonna show you my magic potion

I could shop 'til I drop right to the floor
And I get right up and I want some more
More
More

And I want something that I want
Something I tell myself I need
Something that I want
I need everything I see
(Everything I see)

Whoa
Oh
Oh
Oh

And I want something that I want
Something I tell myself I need
Something that I want
I need everything I see

(See)
Something I want
Something I tell myself I need

(Need)
Something I want
(Yeah)
I need everything I see
