Here I am  
Red high heels  
Yellow dress  
Perfect nails  
Lips like velvet  
Don't you want me baby

I've been here and back again  
It never answers anything  
Where was I when they handed out the knowing you are  
loved

Don't it get lonely out there little darling  
Well come on home

I'll be here with open arms to hold you when you arrive  
I'll be here with open arms to show you where you  
belong  
If you're missing come on home

Been undone  
I've seen it all  
Still somehow I refuse to kick this carnivore to the wall

Traveled here a thousand years  
It's a wonder my heart still hears and beats  
And feels  
It does anything at all

Don't it get lonely out there little darling  
Well come on home

I'll be here with open arms to hold you when you arrive  
I'll be here with open arms to show you where you  
belong  
If you're missing come on home

Oh  
Don't it get lonely out there little darling  
Well come on home

I'll be here with open arms to hold you when you arrive

I'll be here with open arms to show you where you  
belong  
If you're missing come on home

If you're missing  
If you're missing  
Come on home  
Yeah
