"Let Me Fall"

It's October again
Leaves are coming down
One more year's come and gone and nothing's
changed at all
Wasn't I supposed to be someone
Who can face the things that I've been running from

Let me feel
I don't care if I breakdown
Let me fall even if I hit the ground
And if I cry a little
Die a little
At least I know I lived just a little

I've become much too good at being invincible
I'm an expert at play it safe and keep it cool
But I swear this isn't who I'm meant to be
I refuse to let my life roll all over me

Let me feel
I don't care if I breakdown
Let me fall even if I hit the ground
And if I cry a little
Die a little
At least I know I lived just a little

I wanna be somebody
I
I wanna be somebody
I wanna be somebody
I
I wanna be somebody who can face the things that I've
been running from

Let me feel
I don't care if I breakdown
Let me fall even if I hit the ground
And if I cry a little
Die a little
At least I know I lived

It's October again

Leaves are coming down
One more year's come and gone and nothing's
changed at all
