Here's the summer
Gone creeping out just like the Sunday storm
Just a little bit of brown over the blue

If you see me walking and the wind is loud and blowing
strong
I'm just trying to stand up under the blue

Ah ah ah ah ah
Ah ah

Ah ah ah ah ah
Ah ah ah

Like the Carolina rain
Honey
I'll just make it easy
Like the winter finds her way I'll be making love so easy
Oh
And Lord knows I tried all my life

Ah ah ah ah

Now we're going and the sky is dancing for we two
Like we do
Just a little bit of breeze
Whisper to the swallow
Hold me

Ah ah ah ah ah
Ah ah

Ah ah ah ah ah
Ah ah ah

Like the Carolina rain
Honey
I'll just make it easy
Like the winter finds her way we'll be making love so
easy
Oh
And Lord knows I tried all my life

Ah ah ah
