I'm a frantic unsatisfied woman when the day grows  
long  
And I can't seem to settle down  
Then slowly grows our little faith I hang my hat on

Everyday my dreams will get bigger  
Then I hear there's nothing I can dream hasn't been  
dreamt before  
So I water my little faith and hope for the better

I know there's so much more for me  
I know there's so much more  
So much more than I can see

So won't you come to me  
I'll be the first one waiting  
I'll be the last to leave  
Promise you'll come to me  
I'll give you anything  
I'll give everything you need

And did I mention that I'm in lack of a loving hand  
And the nights grow long and I can't seem to start  
again  
Then slowly grows a little light

Breaks through my shadow  
Breaks through my shadow  
I know there's so much more  
So much more than I can see

So won't you come to me  
I'll be the first one waiting  
I'll be the last to leave  
Promise you'll come to me  
I'll give you anything  
I'll give everything you need

Oh  
And all along  
Yes  
You knew all along

You knew me all along  
You know what I need  
Oh I

Come to me  
I'll be the first one waiting  
I'll be the last to leave  
Come to me  
I'll give you anything  
I'll give everything you need
