"We Belong"

Many times I've tried to tell you
Many times I've cried alone
Always I'm surprised how well you cut my feelings to
the bone

Don't want to leave you really
I've invested too much time
To give you up that easy
To the doubts that complicate your mind

We belong to the light, we belong to the thunder
We belong to the sound of the words we're both fallen
under
Whatever we deny, or embrace for worse or for better
We belong, we belong, we belong together

Maybe it's a sign of weakness when I don't know what
to say
Maybe I just wouldn't know my strength anyway
Has this become a habit?
Do I distort the facts?

Now there's just looking forward
And there's no turning back
When you say

We belong to the light, we belong to thunder
We belong to the sound of the words we're both fallen
under
Whatever we deny, or embrace for worse or for better
We belong, we belong, we belong together

Close your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best to try and wash the
palette clean
We can't begin to know it
How much we really care

I hear your voice inside me
I see your face everywhere

Still you say

We belong to the light, we belong to the thunder
We belong to the sound of the words we're both fallen
under
Whatever we deny, or embrace for worse or for better
We belong, we belong, we belong together

We belong to the light, we belong to the thunder
We belong to the sound of the words we're both fallen
under
Whatever we deny, or embrace for worse or for better
We belong, we belong, we belong together, together
