[Bethany Joy Galeotti]

Dancing where the stars go blue  
Dancing where the evening fell  
Dancing in my wooden shoes  
In a wedding gown

[Tyler Hilton]

Dancing out on seventh street  
Dancing through the underground  
Dancing little marionette  
Are you happy now  
Yeah

Where do you go when you're lonely

[Bethany Joy Galeotti]

Where do you go when you're blue

[Both]

Where do you go when you're lonely  
I'll follow you

[Tyler Hilton]

When the stars go blue  
When the stars go blue

[Bethany Joy Galeotti]

Ooh  
Ooh  
Ooh  
Ooh  
Ooh

[Tyler Hilton]

Laughing with your pretty mouth

[Bethany Joy Galeotti]

(Laughing with your pretty mouth)

[Tyler Hilton]

Laughing with your broken eyes

[Bethany Joy Galeotti]  
(Laughing with your broken eyes)

[Tyler Hilton]  
Laughing with your lover's tounge

[Both]  
In a lullaby  
Yeah

Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you

[Tyler Hilton]  
Yeah  
Yeah

[Both]  
Where do you go when you're lonely  
Where do you go where you're blue  
Where do you go when you're lonely  
I'll follow you

[Tyler Hilton]  
Follow you

[Bethany Joy Galeotti]  
Follow you

[Both]  
Yeah  
Yeah  
When the stars go blue  
When the stars go blue  
When the stars go blue  
When the stars go blue

Where do you go when you're lonely  
Where do you go when the stars go blue
