You're my best friend, my baby,
There's no doubts or maybes.
You're my best friend, my baby,
There's no doubts or maybes.

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.

(All)

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.

(Cymphonique)

I can't help but smile when I see you,
My heart beats so fast when I'm around you,
I can't control what I feel inside,
You give me butterflies,
Put me on cloud nine,

(Shelby)

You're the one who really understands me,
I can be who I am,
You never try and change me,
Even when it rains and I'm going through things,
You're always there and you never complain,

(All)

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,

And I don't wanna come down.

(Shelby)

You're my beautiful butterfly,
Like a rainbow in the sky,
Gave me wings now I can fly,
Told me "Never let life pass you by!"

(Cymphonique)

Anytime I'm sad, You make me laugh,
Even when I'm down, you lift me up.
Even when I cry, you make me smile,
You turn my bad days all around.

(All)

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.

You give me butterflies,
You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.

(Shelby)

You spread my wings,

(Cymphonique)

Like a butterfly, Make me wanna sing!

(All)

Feel like I can fly,
Like I'm your butterfly,
It's just you and me,
High up in the sky,
Like a butterfly, make me wanna sing,
Feel like I can fly, You make me feel,
Like I'm your butterfly,
It's just you and me,
High up in the sky!

You're my best friend, my baby,
There's no doubts or maybes.
You're my best friend, my baby,
There's no doubts or maybes.

(All)

You give me butterflies,

You make me feel like I can fly,
You got my head in the clouds,
You lift me off the ground,
And I don't wanna come down.
