Your my best friend my baby
There's no doubts or maybes
Your my best friend my baby
There's no doubts or maybes

You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
And I don't wanna come down
You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
And I don't wanna come down

I can't help but smile
When I see you
My heart beats so fast
When I'm around you
I can't control what I feel inside
You give me butterflies
Put me on cloud nine

Your the one who really understands me
I can be who I am
You never try and change me
Even when it rains
And I'm going through things
Your always there and you never complain!

You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
And I don't wanna come down
You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
I don't wanna come down

Your my beautiful butterfly
Like a rainbow in the sky
Gave me wings now I can fly
Told me never let life pass you by
Anytime I'm sad you make me laugh
Even when I'm down you lift me up
Even when I cry you make me smile
You turn my bad days

You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
I don't wanna come down
You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
I don't wanna come down

You spread my wings
Like a butterfly
Make me wanna sing
Feel like I can fly
You make me feel
Like I'm your butterfly
It's just you and me
High up in the sky
You spread my wings
Like a butterfly
Make me wanna sing
Feel Like I can fly
You make me feel like I'm your butterfly
It's jsut you and me
High up in the sky

Your my best friend my baby
There's no doubts no maybes
Your my best friend my baby
There's no doubts no maybes
Your my best friend my baby
There's no doubts no maybes
Your my best friend my baby
There's no doubts no maybes

You give me butterflies
You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
And I don't wanna come down
You give me butterflies

You make me feel like I can fly
You got my head in the clouds
You lift me off the ground
And I don't wanna come down
