Na na na na  
Hey now, hey now, hey now  
Na na na na  
Hey now, hey now, hey now  
Like a bird in the sky  
Yeah, you know I'm flying high  
And if you don't like it  
It's alright, I don't care why  
It's one thing on my mind  
All day, all night  
Only going to the top  
Never, never gonna stop  
And I won't look down

Let the rhythm take you  
We can rock this town  
Don't let no one change you  
They can't break ya down  
We'll be dancing in the streets  
Here for everyone to see  
Don't hang around if you're a hater  
See me now, won't see me later

No one can hold me back  
Not even worth my time  
Hope you're on top of yours  
'Cause I'm on top of mine  
Nothing can hold me back  
I'll be the first in line

Come on, come on  
Hey now, hey now, hey now  
Come on, come on  
Hey now, hey now, hey now  
Come on, come on

Hey now, hey now, hey now  
Come on, come on  
Hey now, hey now, hey now

Life is a treasure, viva forever, oh  
So if you're bringing the negative  
Oh, you better go  
Life is a treasure, viva forever, oh  
And if you're down with the positive  
Let me here you say oh

No one can hold me back  
Not even worth my time  
Hope you're on top of yours  
'Cause I'm on top of mine  
Nothing can hold me back  
I'll be the first in line

Come on, come on  
Hey now, hey now, hey now  
Come on, come on  
Hey now, hey now, hey now  
Come on, come on  
Hey now, hey now, hey now  
Come on, come on  
Hey now, hey now, hey now  
Come on, come on
