AYO!

You hear me, you feel me, now when you see me
you're near me,
You see my swaggar so clearly,
Got all the boys actin' silly,
And now I'm hotter than chilli, Like Obama and Hili,
Chip track and I kill it,
I'm here gettin' my milli,

Hey Hey Hey O!
Don't worry about me,
Just worry about you,
Hey Hey Hey O!
You think you know me,
well whatcha wanna do!

I'm a boss, I don't walk through the door, I stomp
through the door,
Make'em say "Oh No! She didn't! Look at shawty get
it!"
Mind on my money, So you know that I'm the buisness,

I see'em jockin' but you know I aint stoppin'
Pull out my lip gloss,
got it on and poppin'
Loose hoody, but my jeans stay fitted,
Learned the game from my daddy,
So you know I'm 'bout to get it!

Lil Miss Swaggar,
Lil Miss Swaggar,
This girl is independent, so you know you can't have
her,
Lil Miss Swaggar,
Lil Miss Swaggar,
Steady got'em chasin' for her, too bad you can't catch
her.
Lil Miss Swaggar,
Lil Miss Swaggar,
This girl is independent, so you know you can't have
her,
Lil Miss Swaggar,

Lil Miss Swaggar,
Steady got'em chasin' for her, too bad you can't catch
her.

I'm a boss, I don't walk on the scene, I stomp on the
scene,
Reco-reconize me. Hi Haterz(hi haterz), Bye Haterz(bye
haterz),
I'm a baller, see you later!

Money can't buy me,
Shawty is a dimepiece,
I'm not the flavor of the week,
So NO! You can't try me.
You trippin', got me twisted,
I might be young, but I'm all about my buisness!

Lil Miss Swaggar,
Lil Miss Swaggar,
This girl is independent, so you know you can't have
her,
Lil Miss Swaggar,
Lil Miss Swaggar,
Steady got'em chasin' for her, too bad you can't catch
her.

Watcha gonna do when I walk in the room?
Better reconize a boss chic, when I come through,
Cymphonique! Young Money!

The boys wanna see me, The girls wanna be me,
b'cuz my swaggar so breezy,
