Boy I know you see,
You look good with me.
Just a perfect fit,
Don't need a receipt.
Gotta have you baby,
So I can make you my boy,
Boyfriend...

Girl, I'm sold on you
Ain't no returning you
Take the tags off
'Cause I'm keeping you
Gotta have you baby,
So I can make you my girl,
Girlfriend...

Swear I never met nobody like you...
'Cause you stay on my mind,
I ain't never felt this way, girl

Swear I never met nobody like you...
You're all I think about,
Boy you got me like ohh!

Oh, I, swear I gotta have
You, babe, you stay on my mind
All the time,
All the time...

No one,
Could ever take,
Your place,
Need you in my life
All the time,
All the time...

Got me girl, got me
Got me girl, got me
Got me girl, got me
All the time...

Got me boy, got me

Got me boy, got me
Got me boy, got me
All the timeÂ...

Girl I know you see,
You look good with me.
Just a perfect fit,
DonÂ't need a receipt.
Gotta have you baby,
So I can make you my girl,
GirlfriendÂ...

Boy, IÂ'm sold on you
AinÂ't no returning you
Take the tags off
Â'Cause IÂ'm keeping you
You know I want you baby,
Gotta make you my boyfriendÂ...

Swear I never met nobody like youÂ...
Â'Cause you stay on my mind,
I ainÂ't never felt this way, boy

Swear I never met nobody like youÂ...
YouÂ're always on my mind,
Girl you got me like ohh!

Oh, I, swear I gotta have
You, babe, you stay on my mind
All the time,
All the timeÂ...

No one,
Could ever take,
Your place,
Need you in my life
All the time,
All the timeÂ...

Got me girl, got me
Got me girl, got me
Got me girl, got me
All the timeÂ...

Got me boy, got me
Got me boy, got me
Got me boy, got me
All the timeÂ...

You got me hypnotized,
I never thought that I

Would find a cutie, girl,
You know you'll forever be mine

Just take my picture babe,
And place it on your heart
You know I'll always be there,
Even when we miles apart

You know I got you babe,
I'm here to hold you down
I know you with me baby,
Even when you not around

We got something boo,
That's why I'm into you
Ain't no lie,
Nobody make me feel like you do

Oh, I, swear I gotta have
You, babe, you stay on my mind
All the time,
(All the time girl!)
All the time...

No one,
Could ever take,
Your place,
Need you in my life
All the time,
All the time...

Got me girl, got me
Got me girl, got me
Got me girl, got me
All the time...

Got me boy, got me
Got me boy, got me
Got me boy, got me
All the time...

Got me girl, got me
Got me girl, got me
Got me girl, got me
All the time...

Got me boy, got me
Got me boy, got me
Got me boy, got me
All the time...
