I know I'm young but I  
Know what I want  
It wasn't hard for me to figure it out  
Knew you were something different  
Way you caught my attention  
You really changed me baby

I wasn't even lookin' but then I saw you  
You kind of made it hard for me to pass by you  
You cancel what I expected boy but I'm not complainin'  
Cuz' I'm so into you baby

[Chorus]

Its something bout' you babe  
Something bout' you babe  
Got my heart skippin' a beat  
Don't know what's got into me  
Everytime I'm with you  
There is something  
Its something bout' you babe'  
Something bout' you babe  
Always got me hypnotized  
Must be something in your eyes  
Got me hooked on you  
There is something

Never trippin' off all these silly girls  
Even though they're all chasin' after you  
But I ain't ma at em'  
Look at you boy  
You got everything a girl could want

I wasn't ever lookin' but then I saw you  
You kind of made it hard for me to pass by you  
You cancel what I expected boy but I'm not complainin'

Cuz' I'm so in to you baby

You're the best friend that I never thought I had  
There's no questions or mistakes crossin' paths  
Me and you together are a dream come true  
Something bout' you boo  
So many guys in the world  
But ain't none of them like you no  
Said there's something bout' you  
And I hope you feel it too  
There's no limit to the way I'm feeling

[Repeat Chorus]

Somethin' bout' you babe  
Somethin' bout' you babe  
Ooohhhh... ooohhh-ooohhh-ooohhh--ooohhh-ooohhh-ooohhh  
Somethin'  
There is somethin'...  
Baby
