[Verse 1:]

You can run but you cannot hide
I'ma catch you on the other side
Are you my friend or my enemy?
Close your eyes and tell me what you see!

[Pre-Chorus:]

I'ma beast, are you scared
All the ties don't prevail,
Don't lie [x2]

[Chorus:]

The clouds are dark
And the moon is full
Tonight
There's a war on the dance floor
Are you ready for the fight?
Oh!

[Verse 2:]

Push and pull
I'm torn between two sides
Doesn't matter who's
Wrong or right
Losing my mind
A bit at a time
Feel the rush
And step into the light

[Pre-Chorus: x2]

[Chorus:]

[Bridge:]

There's something different 'bout the way that I move
Don't recognize it, walking in the shoes

There's something 'bout the way that I smile
I'm mesmerized by the bright lights,
So lets enjoy the RIDE!!!!
