(Howlin Pelle)

I bought no gift this year
and I slept with your sister
I know I should have thought twice
Before I kissed her
But with the year we had last
And the dress that she wore
I just went along for the ride
And I came back for more

And I'm sorry baby.....

(Cyndi)

That's all ok honey cause see...

I bought no tree this year
And I slept with your brother
I wrecked your Daddy's car
And went down on your Mother.
I set your record collection on fire
And said I never knew
Felt kind of bad about that
And I know you did too

pre chorus 1 (both)

So whatever you say, it's all fine by me
Who the fuck anyway wants a Christmas tree
Cause the snow keeps on fallin' even though we
were bad
It'll cover the filth, we should both just be glad

Chorus 1 (both)

And spend spend spend this chris Christmas together

verse 2

(Howlin Pelle)

I married you last year

Bet you thought I was sober, right?
But I was drunk as a skunk and I made a mistake
This could all have been over

(Cyndi)
Ah honey please don't
Excuse your behavior
Cause I hired a hit man and changed your will
It's now all in my favor

pre chorus 2 (both)
So whatever you say, it's all fine by me
Who the fuck anyway wants a Christmas tree
Cause the snow keeps on fallin' even though we
were bad
It'll cover the filth, we should both just be glad

Chorus 2 (both)
And spend spend spend this chris Christmas together
(repeats)

(Howlin Pelle)
Holding on without any reason
Cause something's strong this holiday season

pre chorus 3 (both)
So whatever you say, it's all fine by me
And who the fuck anyway wants a Christmas tree
Cause the snow keeps on fallin' even though we
were bad
It'll cover the filth, we should both just be glad

Chorus 3 (both)
And spend spend spend this chris Christmas together
(repeats)
