I look out my window  
Into the pouring rain  
I wish I could tell you  
That I stopped hearin' your name

And then I realize every thought of you  
Runs a circle around my heart  
I hear your voice haunting me  
I feel your touch in the dark

It was a night to remember  
All your kisses I still taste  
It was a night to remember  
Can't forget the look on your face, oh no

Starlight send a message  
Like a beacon into the night  
To tell you, I'm lonely  
When I shut out the light

Because a part of me left with you  
So I feel lost inside  
Sometimes I look into my mirror  
I see you shinin' through my eyes

It was a night to remember  
All your kisses, I still taste  
It was a night to remember  
Can't forget the look on your face

Oh, it was a night to remember  
All these feelings I can't erase  
From my heart

Endless dreams  
'Round my shoulders  
I cannot free this restless heart

It was a night to remember  
All your kisses, I still taste  
It was a night to remember  
Can't forget the look on your face

No, it was a night to remember  
Not enough time for you to stay, oh no  
Oh, it was a night to remember  
All your kisses, I still taste

It was a night to remember  
Can't forget the look on your face, oh no
