Brimstone and fire  
Brimstone and fire  
Brimstone and fire

I met a woman in the laundry mat  
She left her sock in my dryer  
I met a woman in a yellow cap  
It said 'Brimstone and Fire'  
I said is this luck ?  
With just a glance  
She smiled and I thought  
Is this a sign ?  
From above or below

Oh no  
Brimstone and fire  
Brimstone and fire  
Brimstone and fire

The next week at the cinema  
She put her hand on my shoulder  
She almost kissed me walking home  
And I didn't even scold her  
Then I said where is this leading with just a heavy sigh?  
I quickened my pace and she was following  
As if her heart would never tire

Brimstone and fire  
Brimstone and fire  
As if her heart would never tire  
Brimstone and fire  
Brimstone and fire  
Brimstone and fire

Now we have dinner every Saturday  
I make spaghetti, she brings cake  
I make spaghetti with tomato sauce  
Because that's all I can make  
When she lights the candles  
I think, here we go  
But it's so pleasant after all  
And I say very low

Don't forget to light the fire

Brimstone and fire

Brimstone and fire

And I said don't forget to light the fire

Brimstone and fire

Brimstone and fire

Brimstone and fire

Brimstone and fire

Brimstone and fire
