(piano)

When you wish upon a star
Makes no difference who you are

Flyer fly me away
Higher til I can't see
Glider keeper of my dreams
Of whatever once was me

I was thinking of you
I was thinking all I was just thinking
Fly me away
Flyer
You could make it last a long time
Well for all time
And for always
You could make it last forever
Was just thinking
Oh I was just thinking I was I was

Oh
Flyer dancing on the skylite
By play of my youth
Like a cryer clinging to a shadow
I go on and on and on on
And wishin' and
Thinking of you

I was thinking oh I was just thinking
Fly me away
Flyer

You could make it last a long time
Well, for all time
For always
You could make it last forever
Was just thinking
Oh I was just thinking I was I was
Oh...la la la la la la laaaaaaaaaaaaaaaaa
La la la
La la laaaaaaaaaaaaaaaaa

(guitar solo)

So when I sing my song
When my heart is beating stronger
I'm flying away
Flying away
Ohhhhh
Fly me away
Fly me away
Yeah (flyer)

La la la la la laaaa la la
La la laaaaaaaaaaaaa
La
La la la la la laaaa la la
La la laaaaaaaaaaaaa
(Aho) spin
(Loco voy frio o lo soplo)
(Esto ya va ilammdo)
