Got Candy
Cyndi Lauper & Richard Morel

Seeking fun loving, open minded male
Slightly worn but not broken
If you're looking for life's pleasure
Cure of heart, cure of mind
And tenderness in your kiss

Hey, hey, wishing on a star
Driving in her car
Yea yea yea yea yea

I love life, nice books
A good smile, good looks
Drop a line, spend some time...
Not discrete about it..
Love's a fine remedy
There's no doubt about it

Dreaming in the dark
Dreaming of a spark
Yea yea yea yea

She's not alone
She's got candy now
Home of her own
She's not alone
She's got candy now
She's got her candy
She's got candy now

I am rugged, read, and laugh a lot
I'm the beast you can cure
With what you got
It's not lie
I'm an easy going guy

Letters from a far
Driving in her car
Yea yea yea yea yea

She's not alone the beast you can cure
With what you got
It's not lie
I'm an easy going guy

Letters from a far
Driving in her car
Yea yea yea yea yea

She's not aloner
She's got candy now
She's got candy
She's got candy now
