Sitting in some hotel room
Some place far away
Saw a shop light screaming Christmas
Bought your present there today

I'll be home on Christmas day
I am just a thought away
And every Christmas tree
Reminds me where I'd rather be, oh, oh

Drunken Santa on the corner
He looks a little blue
But the twinkle in his eye dear
Looks a little like you

Oh I'll be home on Christmas day
I am just a thought away
And every Christmas tree
Reminds me where I'd rather be,

Home on Christmas day
I am just a thought away
But anywhere I'll be
You will always be Christmas to me

Something about this season
Makes me feel a little queer
Everybody's so dam jolly
I wish you were here

But I'll be home on Christmas day
I am just a thought away
And every Christmas tree
Reminds me where I'd rather be

Home on Christmas day
I am just a thought away
But anywhere I'll be
You will always be Christmas to me

Home on Christmas day
I am just a thought away

And anywhere I'll be
You will always be Christmas
Always be Christmas to me

Oh always be Christmas
You will always be Christmas to me
I'll be home, I'll be home around Christmas time
I'm home, I'll be home around Christmas time boy
Christmas time boy
You will always be Christmas
You will, you will always be Christmas
