I don't wanna see your face
I don't wanna hear your name
Don't wanna thing, just stay away, baby

Don't wanna know if you're alright
Or what you're doin' with your life
Don't wanna hear you say that you'll stay in touch
maybe

I'll get by just fine
So if you're goin' then darlin'
Goodbye, goodbye

Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
I'm not over you yet, and I don't think I care
And I don't wanna be your friend

I'll forget we ever met
I'll forget I ever let
Ever let you into this heart of mine, baby

You just gotta let me be
You gotta keep away from me
'Cause all I want to be is just free of you, baby

Don't you come around
And say you still care about me
Go now, go now

Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
I'm not over you yet, and I don't think I care
And I don't wanna be your friend

You take it casually
And that's what's killin' me

I'll get by just fine
So if you're goin' then darlin'

Goodbye, goodbye, now

Don't call me in the middle of the night no more
Don't expect me to be there
Don't think that it will be the way it was before
No, no baby

Don't call me in the middle of the night no more
I don't wanna be your friend
Don't think that it will be the way it was before
No, no, I don't wanna be your friend

Don't call me in the middle of the night no more
Don't think that it will be the way it was before
'Cause I don't wanna be your friend

Don't call me in the middle of the night no more
Don't think that it will be the way it was before

Don't call me in the middle of the night no more
Don't think that it will be the way it was before
