I want a mom that will last forever  
I want a mom to make it all better  
I want a mom that will last forever  
I want a mom who will love me whatever

I want a mom that'll take my hand  
And make me feel like a holiday  
A mom to tuck me in that night  
and chase the monsters away  
I want a mom that'll read me stories  
And sing a lullybye  
And if I have a bad dream to hold me when I cry

Oh,  
I want a mom that will last forever  
I want a mom to make it all better  
I want a mom that will last forever  
I want a mom that will love me whatever, forever

When she says to me, she will always be there  
To watch and protect me I don't have to be scared  
Oh, and when she says to me I will always love you  
I won't need to worry 'cause I know that it's true

I want a mom when I get lonely  
Who will take the time to play  
A mom who can be a friend and a rainbow when it's  
gray  
I want a mom to read me stories  
And sing a lullaby  
And if I have a bad dream, to hold me when I cry

Oh,  
I want a mom that will last forever  
I want a mom to make it all better  
I want a mom that will last forever  
I want a mom that will love me whatever, forever  
I want a mom that will last forever  
I want a mom to make it all better  
I want a mom that will last forever  
I want a mom that will love me whatever, forever

I want a mom  
I want a mom  
I want a mom that'll last forever  
I want a mom that'll last forever  
I want a mom  
I want a mom  
I want a mom that'll last forever  
I want a mom  
I want a mom that'll last forever  
I want a mom that'll last forever  
I want a mom...
