My heart keeps beating me to death
I see you move and I can't catch my breath
I want to touch you with my lips
I want to touch you with a kiss

My heart keeps pounding like a fist
I see you there and I just can't resist
You make me tremble like this
You make me tremble like a jellyfish

It's primitive
You got me, oh
It's primitive, primitive
You make me feel

Primitive
When you lock me in your arms
You chain me to your heart, oh

I hear you calling out my name
And when you talk your words, they numb my brain
You make this fire in me start
I want to touch you with my heart

I hear you whisper in the dark
And when you touch me, I just come apart
I feel the fever in your hands
We feel things, we don't even understand

It's primitive
You got me, oh
It's primitive
You make me feel

Primitive
When you lock me in your arms
You chain me to your heart, oh
It's animal, oh oh

Like the moon pulls at the tide
I'm at your side
The world in which we live

It's primitive
You got me, oh
It's primitive, primitive
You make me feel

Primitive
When you lock me in your arms
You chain me to your heart, oh

It's primitive
You got me, oh
It's primitive, primitive
You make me feel

Primitive
When you lock me in your arms
You chain me to your heart, oh
It's animal, oh oh

The way you set me on fire
Primitive, oh
Primitive, oh
Oh, you set me on fire
