Sendin' you faithful love

When your heart is beaten black and blue  
And the whole world is lookin' back at you  
And you're feelin' low around the bend  
Go on, turn around, you'll see me  
I will always be your friend

Set your heart free  
Your heart free  
Yeah, yeah, yeah, yeah, baby

Said you can't say much about today  
Just some dark cloud comin' back your way  
And that your dreams are all worn thin  
Oh, you better stop with all that talk before it all starts  
happenin'

Set your heart free  
Your heart free  
Yeah, yeah, yeah, yeah, baby

Your heart free  
Your heart free  
Yeah, yeah, yeah

Listen to your heart  
Come on

When your heart is beaten black and blue  
And the whole world is knockin' down at you  
And you're startin' to become unglued  
Don't go there, baby, come on, you know I love you

Set your heart free  
Your heart free  
Yeah, yeah, yeah, yeah, baby

Your heart free  
Your heart free  
Yeah, yeah, yeah

Your heart, your heart  
Set your heart free  
Yeah, yeah, yeah, yeah

Set your heart
