Shine, I'll stand by you  
Don't try and push me away  
'Cause I'm just gonna stay  
You can shine, I won't deny you  
And don't be afraid, it'll all be okay

Do you know my name  
Well, I ain't gonna take  
That big time line  
Won't be beat by a lie

Gonna call out to these embers  
Waiting to ignite  
Gonna pull you up by your love  
By your love and tell you

Shine I'll stand by you  
Don't try and push me away  
'Cause I'm just gonna stay  
You can shine, I won't deny you  
And don't be afraid, it'll all be okay

I can see the frown you wear  
All around like some faded crown  
Like a watch over wound

Gonna call down to this diamond  
Buried underground  
Gonna pull you up by your love  
By your love and tell you

Shine, I'll stand by you  
Don't try and push me away  
'Cause I'm just gonna stay  
You can shine, I won't deny you  
And don't be afraid, it'll all be okay

When it's said and done  
What you need will come  
And time, it won't let me  
Let you let me waste it this time

Shine

Shine, I'll stand by you  
Don't try and push me away  
'Cause I'm just gonna stay  
You can shine, I won't deny you  
And don't be afraid, it'll all be okay

It'll all be okay, baby, shine  
You can shine, shine  
Baby, baby, shine
