Come on, how you want it, how, come on, you want it  
How, come on, you want it, how you want it, yo  
We got to get started  
We got to get started  
We got to get started  
Come on, come on, come on, come on

What y'all did it ain't ????  
I see some of y'all thirsty for it  
Straight frontin y'all  
When it come down to the combat dawg I'm a  
workaholic  
My swags, dutches, every enemy within my clutches  
Black bringin that ruckus  
And I'm puttin that ? on all you suckers  
Black, your bone crushes every oponent suffers  
Your tone rushers from ?  
Don't you like percussion  
Don't lose your life for nothin  
You want don't try to touch him  
No competition, listen, this ain't open for discussion

How you want it, want it, come on, you want it  
How, come on, you want it, you want it  
How you want it, come on  
How you want it, wait it, come on, you want it  
How, come on, you want it, want it  
Come on, you want it, come on

We got to get started, started  
We got to get started, yeah  
We got to get started, started, started

Come on you want it, want it  
Come on you want it, want it  
Come on you, come on you, come on, come on, come  
on

My sound ?? each other foul  
Scissors ain't holdin ? value of electrifyin  
This is you mortify

Pressurize best of ride  
We slid in through the next to mention time to exercise  
Recognize  
This ? tangle yours  
Mingle ? this ? venue  
This trick's on your state of mind  
Somebody's watchin you  
Just look you'll learn a lot  
Cos only one survive  
No use of lyin to yourself and statin eye to eye

How you want it, want it, come on, you want it  
How, come on, you want it, want it  
How you want it, come on  
How you want it, want it, come on, you want it  
How, come on, you want it, want it  
Come on, you want, yo

We got to get started, started  
We got to get started, yeah  
We got to get started, started, started  
Come on, come on, come on, come on  
We got to get started, started  
We got to get started, yeah  
We got to get started, started  
We got to get started

Uh, come on, you want it, want it

Black, your bone crushes  
Every oponent suffers  
Your tone rushes  
From brunches don't you like percussion  
Don't lose your life for nothin  
You don't wanna try to touch him  
No competition, listen  
This ain't open for discussion

How you want it, want it, come on, you want it  
How, come on, you want it, want it, how you want it,  
come on  
How you want it, want it, come on, you want it  
How, come on, you want it, want it  
How you want it, come on, how you want it, want it  
Come on, how you want it, how, come on, you want it  
Want it, how you want it, come on  
How you want it, want it, come on, you want it  
How, come on, you want it, want it  
How you want it, come on
