Here we are hanging on the strains of greed and blues.  
Break the chain and we break down

Oh  
it's not real if you don't feel it.  
Unspoken expectations  
ideas you used to play with

They're finally taking shape.

What's good enough for you is good enough for me

It's good enough  
it's good enough forme.

Now you say you're starting to feel the push and pull  
Of what could be and never can.  
You mirror me stumbling through  
those oldfashioned superstitions  
I find too hard to break  
or maybe you're out of place.  
What's good enough for you is good enough for me

It's good enough  
it's good enough for me.  
Good enough for you is good enough for me

It's good  
it's good enough  
it's good enough for me.

Oldfashioned superstitions I find too hard to break

Or maybe you're out of place.  
What's good enough for you is good enough for me

...

Good enough for you is good enough for me

It's good  
it's good enough  
it's good enough for me.

Good enough for you is good enough for me  
it's good enough.
