You with the sad eyes  
Don't be discouraged  
Oh I realize  
It's hard to take courage  
In a world full of people  
You can lose sight of it all  
And the darkness inside you  
Can make you feel so small  
But I see your true colors  
Shining through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful,  
Like a rainbow  
Show me a smile then,  
Don't be unhappy, can't remember  
When I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear

You call me up

Because you know I'll be there

And I see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful,

Like a rainbow

I can't remember

When I last saw you laughing

If this world makes you crazy

And you've taken all you can bear

You call me up

Because you know I'll be there

And I see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors, true colors

True colors are shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful,

Like a rainbow
