I wanna fall into you
And I wanna be everything you want me to
But I'm not sure, I know how
I lose faith and I lose ground

Then I see you and remember
Unconditional love, love, love
Unconditional love

It doesn't matter what I say
'Cause it always seems you're taking me the wrong way
But if you could read my mind, you'd see
I fight myself all the time

When I see you I surrender
Unconditional love, love, love
Unconditional

Standing on a wilder shore
I got my head up in the clouds, oh
I ain't got no sense of direction, now

I wanna lie next to you
And I wanna do everything you want me to
Sometimes I wish at the sky
I imagine what the clouds look like

When I see you I remember
Unconditional love, love, love
Unconditional love

When I see you I surrender
Unconditional love
Unconditional love, love, love
Oh, unconditional

When I see you I surrender
Unconditional love
Love, love, love, love
When I see you I surrender
Unconditional love, love
