Sanctuary, safe with you
Oh my love what did I do
To make you want, to stay with me
Without you now where would I be

My Sanctuary

Sanctuary, place of rest
I lay my head against your chest
Here on earth, my island of
Peace and legendary love

My Sanctuary

I wish on dreams, I fly on stars
Across the sky, to where you are
Where the Angel River runs
Beyond the night, and to the sun

Sanctuary

Circle us, with only honesty and trust
Here our prayers, keep us warm
The perfect calm and darkest storm

My Sanctuary

I wish on dreams, I fly on stars
Across the sky, to where you are
Where the Angel River runs
Beyond the night, and to the sun

Sanctuary

Safe with you
Oh my love what do you do
Far away, or close to me
With my last breath your arms will be

My Sanctuary
