Things I would do
Apologize
Bite my tongue
Swallow my pride
Just shut up
Change my tune
Clip my wings
Take it back
Everything

Things I would do just to have you back again
I'd single handly prove to you that I can
Fight for you, cry for you, I'd live and die for you
These are just some of the things I would do

Bury that hatchet
Burn that bridge
Ride my high horse
Right off of that cliff
Move that mountain
Cut it down to size
Sieve the moment
Compromise

Things I would do just to have you back again
I'd single handly prove to you that I can
Fight for you, cry for you, I'd live and die for you
These are just some of things I would do

Ahhhhh

I miss your hands, your face, your laugh, your smile
The sweet, sweet kiss
The ones that used to drive me wild
Do, do, do, do
Do, do, do, do
Ahhh
Do, do, do, do
Do, do, do, do

Things I would do just to have you back again
I'd single handly prove to you that I can

Fight for you, cry for you, I'd live and die for you
These are jsut some of the things I would do

If looks could kill
I'd be shootin' blanks
Stop stirrin' stew
Start givin' thanks
Stop spinnin' my wheels
Apologize
Bite my tongue
Swallow my pride
Take it back
Compromise
Just shut up
I'll shut up
Do, do, do, do
