Why have you always  
tried to look inside of me?  
This lack of clarity  
I'm going blind  
Something so deep  
wounds that I keep  
tell me now,  
is that what you seek?

the way you neglected the way I feel  
It's no wonder why these scars haven't seemed to heal  
and all of this time has been wasted away  
but I'm still waiting for the glorious day  
[ Yea, I'm still waiting ]

frustrations hidden  
down to my core  
all of this fighting  
has opened new doors  
to a place of new action  
an unseen attraction  
a place where I'm not  
a part of your faction

the way you neglected the way I feel

It's no wonder why these scars haven't seemed to heal  
and all of this time has been wasted away  
but I'm still waiting for the glorious day  
[ Yea, I'm still waiting ]

when you're gone  
theres no more screaming  
believe my words  
don't fight the meaning  
but seeing you now  
has made me lose feeling  
being close to you...  
is no longer appealing

the way you neglected the way I feel  
It's no wonder why these scars haven't seemed to heal

and all of this time has been wasted away  
but I'm still waiting for the glorijs day  
[ Yea, I'm still waiting ]
