Can you understand?
[An emptiness has made me numb]
What am I supposed to feel?
[Will we rise like the morning sun?]
You've found someone to occupy your time
I'm not one to make you choose
[So I am the one to lose]

[When nothing is this real
Nothing hurts this much
These regrets bury me
And all I can't Touch]

Is this real to you?
[An emptiness has made me numb]
What are you supposed to feel?

[Will we rise like the morning sun?]
Now that you found someone to occupy your time
I'm not the one to make you choose
[So I am the one to lose]

What's left?
Is it nothing?
Is it anything? [Nothing]
or is it nothing again?
Am I nothing?
Am I anything? [Nothing]
Or am I nothing again?

[When nothing is this real
Nothing hurts this much
These regrets bury me
And all I can't touch]
