

Cynic Ridge "Torn Apart"

Visit "[Torn Apart](#)" on MotoLyrics.com

I told the truth from the start
And all you did was lie
What I believe is wrong
So what's left inside?
I'd hope to see the light
But the past still hides the way
Your one step behind
Behind this day

Thinking Back
Where we are
Realized now I pushed too far
Thinking back
Where we are
Only leaves me torn apart
I need to feel something real
Not the lies you told
What you say has lasted
Until this day turns cold
Feeling pain is better
Then feeling nothing at all
Still one step behind
Behind my wall

Thinking back
Where we are
Realized now I pushed too far
Thinking back
Where we are
Only leaves me torn apart
