They say I've gotta bad disease  
and it's bringing me to my knees  
and I'm stuck on sayin' "Oooh baby please"  
They say I've got it bad...  
They say that I must be ill  
to feel as hot as I feel  
When I tell you to do as you will  
They say I've got it bad...  
Chorus:  
I've got it bad, ooh ooh baby  
I've got it bad, It's drivin' me carzy  
I've got it bad, I've got your love  
They say I can't be feelin' fine

I'm too hooked on you being mine  
I think about you all the time  
They say I've got it bad...  
They think I'm over my head  
Readin' your love letters all day in bed  
They sigh and shake their heads  
They say I've got it bad...  
Chorus  
I've got it so bad it's all over me...  
I can't see nothin but you cuz you're all I see  
chorus  
I got it bad, I got it bad, I got it...bad!
