"Fly"

When our hearts met we knew

We were restless as two could be

We rapt in a frenzied fire- you and me

Fly, we want to fly

So sensational

Fly, we want to fly

We want to be original

Love blushed red my cheek

It seemed we would never end

When your fancy declined

There was nothing to make you stay

Why you want to fly

So sensational

Fly, you want to fly

You're a fool

Now a hundred years pass

And we master the game of love

We get straight 'A's for heartlessness

Medallions for restraint

Fly, you want to fly

So sensational

Fly, you want to fly

You're a fool

You war
