On the island of my senses

U have lost your shape

The shadow of leaves fallen

A bed of limbs in stalemate

A crash of muted waves

In diminishing dimension

But last night in black & white

A dream of lovers' eyes

A song on an old phonograph

A moving photograph of

U & I

Sometimes in the dusk

When the sky bleeds certain shades

The color in between us

Is the sky that binds us

Never-ending you

Begin on & on & on

I only know

U are for real

But last night in black & white

A dream of lovers' eyes

A song on an old phonograph

A moving photograph of

U & I
