It's October again, the leaves are commin down
One more year's come and gone
And nothing's changed at all

Let me feel I dont care if I break down
Let me fall even if I hit the ground
And if I cry a little die just a little

I've become much too good at being invincible
I'm an expert at play it safe and keep it cool
But I swear this isn't who I'm meant to be
I refuse to let my life roll over me

So let me feel, I don't care if I break down
Let me fall, even if I hit the ground, and if I
Cry a little, die a little, at least I know I've lived
Just a little

I wanna be somebody
I wanna face the things that I've been runnin from

So let me feel, I don't care if I break down
Let me fall, even if I hit the ground, and if I
Cry a little, die a little, at least I know I've lived

It's October again. leaves are commin down
One more year's come and gone
And nothing's changed at all
