Joy]

Dancin' where the stars go blue
Dancin' where the evening fell
Dancin' in my wooden shoes
In a wedding gown

[Tyler]

Dancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?

[Tyler]

Where do you go when you're lonely

[Joy]

Where do you go when you're blue

[Tyler and Joy]

Where do you go when you're lonely, I'll follow you

When the stars go blue

[Tyler]

When the stars go blue

[Joy]

Blue...

[Tyler (and Joy)]

Laughing with your pretty mouth (Laughing with your
pretty mouth)

Laughing with your broken eyes (Laughing with your
broken eyes)

Laughing with your lover's song

[Tyler and Joy]

In a lullaby

Yeaaaaa

[Tyler and Joy]

Where do you go when you're lonely

Where do you go when you're blue

Where do you go when you're lonely, I'll follow you

Where do you go when you're lonely

Where do you go where you're blue

Where do you go when you're lonely I'll follow you
Follow you

Yeah yeah, when the stars go blue
when the stars go blue
when the stars go blue
when the stars go blue

Where do you go when you're lonely
Where do you go when the stars go blue
