"Dude have you seen my hair straightener?
It's like I worked all freaking day and now my hair really
needs it and I can't even find it.
It's like we're gonna be late for the show"

"Nah man you can definitely use mine, uhh... I just
gotta use it first and I have to get it out of my car and
then you can use it, but I

Gotta get it outta my car first... but anyways you should
definitely buy that synth man, we can definitely use you
in the band"

"What? What? Are you serious? What? What? What!"
Your scene he's scene she's scene get scene I've seen
the scene, scene banger
You know me?
It's D Money Pros out fresher than the fruit at your local
produce
Grabbing word for word with a noose
Making you choke on these words where your breath
count becomes reduced
Abuse to my fuse it's short
Now sweat, recover, drink some juice

Now to introduce formally lyrically hysterically
Thinking of your remembering me?
Remember me?
It's different from what I am when you originally first
thought of me
And I'm still lively in the setting of the two step and the
mosh pit
Beat or breakdown open up to love all of it

Alright you little scene bangers
Get them deep V's out and flare them chest pieces
It's D-M-P
Your scene he's scene she's scene get scene I've seen
the scene, scene banger
Pound click boom
Our heats are one synced metronome
Lyrics that hit home

Ink them lyrics from your favorite band
Whether it's a rhyme or words saving your weeping ass
from your friend
It could be a beat that drops your jaw or a brutal riff
that rips your face off

Back in '99 attending Warped Tour and loving it
Mathers to Blink
Music that's it and nothing matter
Nothing but motivation to keep my hopes and dreams
from being shattered
Here's some music scene banger
It's like your personal friggen cold cut platter

"Dude that show was sooo awesome... did you see me
in the pit out there? I was totally tearing it up... man
we're such scene bangers"

A diversity to look around to everyone and give the
nods
A day in the life of the scene just trying to beat the
odds
I'm beating the odds to get a nod
I'm luring you in with my rod
You dig? Grab your jersey there's plenty of room on my
squad
Your scene he's scene she's scene get scene I've seen
the scene, scene banger
