(Intro):

What them boys don't know
What them boys don't know
What them boys don't know
What them boys don't know

(Verse 1):

Ladies, don't trip on what he say (he say)
Let him stay out to the break of day
He can't see you lose your cool wit him
Ladies, if you feel me
Listen, it wouldn't work in all your time
So before you go and change your mind
Get what you deserve from him
And I ain't talkin 'bout no lovin

(Chorus):

What them boys don't know
Is what these girls is really in it for (in it for)
They don't know, they don't know
He's doing him
Better get it while you can
What them boys don't know

(Verse 2):

Ladies, I know that looks ain't what he got (he ain't got it)
And the sex don't really hit the spot (naw girl)
But you got bigger plans for him
The car note, the house, you got business wit him
Tell the kids they'll understand
When you leave him for a better man
Love is overrated baby
Until then, they don't pay attention

(Chorus 2x, ad libs)

(Bridge):

What they don't know
it's a game girl, stay in your lane
It'll never work

Do ya thang, girl get what you can
Get, you knwo you deserve it
Oohhh, and they'll never know

(Chorus, 2x ad libs)

(Outro):

What them boys don't know
What them boys don't know
What them boys don't know
What them boys don't know
