### Verse 1:

Knew what it was from the first kiss  
Straight to your head like your first hit  
I'll be your best friend  
I'll be your worst enemy  
It all depends how much you can take of me

### Pre-Chorus

I'll have you on it  
I'll have you zoned in it  
Allil dose of me  
I'll keep you coming back, Coming back  
I know you want it  
So get on your grown man  
Straight through the door  
And, show me how you handle

### Chorus:

As far as you go  
When will you know that I'm no good for ya  
Triple your dose  
Your not suppose to but you wanna legalize me,  
legalize me  
I know you wanna  
Legalize me  
Oh, Yea I know you wanna  
Legalize me  
Oh, Yea I know you wanna  
Legalize Me (ya wanna)  
I bet you didn't think it could go this far

### Verse 2:

You wanna go up or go down  
There's only one way to find out  
Take this  
Pop this  
You don't know  
What you gonna miss  
If you don't try it out  
(Look in your eyes) The color of blood shot red  
(You so high)I know you wanna hit it again  
(I got that fire) And now you feel me running through

your blood stream  
You need me to stay alive, stay alive

Pre-Chorus

I'll have you on it  
I'll have you zoned in it  
Alil dose of me  
I'll keep you coming back, Coming back  
I know you want it  
So get on your grown man  
Straight through the door  
And, show me how you handle

As far as you go  
When will you know that I'm no good for ya  
Triple your dose  
Your not suppose to but you wanna legalize me,

Your heart beat is racing  
You can't take it
