(Verse 1):

These three words is all it takes
To understand this good thing (just a fling) it's just a
fling
It threw back the night that he said
I can't get enough of you
Girl I think I love you

(Breakdown):

He's calling and texting me
He says just to check on me
He's running back like a fiend
I can't believe, I can't believe
He's on it like everyday
Too close, so I push away
I try but there's no escape
I can hear him call my name

(Chorus):

I got him calling out my government, loving it loving it
Said he wanna touch on it, guess I got him stuck on it
He's calling out my government, loving it loving it
I gave him just a little bit
Now I can't get rid of him like
Oh no, oh no, oh no
He's taking this too far
Oh no, oh no, oh no

He's taking this too far

(Verse 2):

First and the second date, he seem to be cool
Guess that's what I get for giving in too soon
The tables turn, this ain't how it should be
Wish I knew what to say
Wish I could feel the same, but I can't

(Breakdown)

(Chorus)

(Bridge):

Too far, he's going to far (too far)
Too far, he's going to far
Let me hear you say it
Wanna hear you when you say it
Say my name, say my name
Don't be shy, gon' and say it
Say my name, say my name
Wanna hear you when you say it
Say my name, say my name
Don't be shy, gon' and say it
Say my name, say my name

(Chorus)
