She Don't Do It For You Anymore
She Don't Rub Your Back When It's Soar
She Don't Make You Feel The Same
You Gotta Wonder Tonight
I've Seen Your Look When You Walk By

And Now You Wanna Know What Its Like
If You Could Be The Apple Of My Eye
You Wanna Make A Change
You Wanna Come My Way While I'm Waiting For You

Chorus

You Had Enough Of The Dark Side
So Step Over The Line And Get A Taste Of The Sunshine
It's Better On My Side
It's Better On My Side
It's Better On My Side
It's Better On My Side
Cause I'm Better Than Her
The Silver Line Around Your Dark Cloud
Every Level I Would Just Settle Down
I'm Hoping For Something Better
It's Better On My Side
It's Better On My Side
It's better On My Side
Cause I'm Better Than Her

Get's On Your Nerves When She Comes Around
And When She Talks You Just Turn Around
You Fantasize Around My Lips About My Size
And The Feelings Getting Stronger
And You Can't Seem To Get Me Out Your Mind

And Now You Wanna Know What Its Like
If You Could Be The Apple Of My Eye
You Wanna Make A Change
You Wanna Come My Way I'm Gonna Be Sitting Here
Waiting For You

Chorus

You Had Enough Of The Dark Side
So Step Over The Line And Get A Taste Of The Sunshine

It's Better On My Side
It's Better On My Side
It's Better On My Side
It's Better On My Side
Cause I'm Better Than Her
The Silver Line Around Your Dark Cloud
Every Level 1 Would Just Settle Down
I'm Hoping For Something Better
It's Better On My Side
It's Better On My Side
It's better On My Side
Cause I'm Better Than Her

I See You Looking (See Ya Looking)
I See You Looking (See Ya Looking)
Won't You Come On Over (Come On Over)
The Sun Will Shine A Little Brighter (Brighter)
If This Is Where You Wanna Be I'm Here Waiting For Ya
I See You Looking
I See You Looking
I See You Looking
Won't You Come On Over
Won't You Come On Over
The Sun Will Shine A Little Brighter (Brighter)
Why Don't You Make This Switch Come To Me I'm
Waiting

Chorus

You Had Enough Of The Dark Side
So Step Over The Line And Get A Taste Of The Sunshine
It's Better On My Side
It's Better On My Side
Ya Ya Ya
It's Better On My Side
Cause I'm Better Than Her
The Silver Line Around Your Dark Cloud
Every Level 1 Would Just Settle Down
I'm Hoping For Something Better
It's Better On My Side
It's Better On My Side
It's Better On My Side
It's Better On My Side
