(Intro):

I though you said we were gonna hang out this weekend
...No, you said that last weekend too
You'll meet me there
I'll be right there
I'm waiting

(Verse 1):

I thought I seen you on the market, I said oooohh
Then later on you disappeared and I said damn
I would've bet it that you would be my dude
I can't believe I let you slip right through my hands
(damn)

(Breakdown):

I'm looking for your love in all the wrong places now
Can somebody tell me how to (get to you, get to you)
I'm lost, I need direction, help me out
Show me the route, ohhhh

(Chorus):

Running low, on the go, spendin all my time
Paying for attention
Hop you're round the corner
'Cause I'm down to my last dime
Paying for attention

(Verse 2):

I'm flying back and forth, my purse is screaming owwww
I'm on the beach, I see this cat, he's fly as shit
I'm poppin tags, this way he knows I put it down
In my bikini, making sure that he see's it (oooh)

(Breakdown):

I'm looking for your love in all the wrong places now
Can somebody tell me how to (get to you, get to you)
I'm lost, I need direction, help me out
Show me the route, ohhh

(Chorus, ad libs)

(Bridge):
Look my way
Name the price and I'll pay
Won't you give me some of your
I'm paying for
Look my way
Name the price and I'll pay
Won't give me some of your
paying for attention

(Breakdown)

(Chorus, ad libs)
