(Verse 1, Timothy Bloom):

Your body's calling, calling my name
Now can you tell me girl, can you feel mine do the
same
I wanna get inside you, until you feel a shame
That the man you got at home
He can't love you like I can, no
I'm gonna bang you, shit I'm gonna bang you out
Until your well runs dry
Baby look into my eyes, while I'm rubbin on your thighs

(Chorus):

I wanna see you sweat
Sweat, sweat, sweat, sweat, sweat
Sweat, sweat, sweat, sweat
Dripping down your body babe (sweat, sweat, sweat)
I wanna see you sweat
(repeat)

(Verse 2, D. Woods):

If you spread me wide open
Fuel the fire to the flame
You feel my bushes gettin warmer
Oh (I feel your bushes gettin warmer)
Yeah, yeah
Dick don't fail me, this gotta be a suicide
'Cause I know it's wrong, but it feels so right
Baby, I'm gonna ride you
I'm gonna ride you out
Until your well runs dry
Baby look into my eyes
While you pushin through my thighs
I wanna see you sweat

(Chorus)
