My love has come along  
My dreams become a song  
My days are bright and sunny  
Funny why all so blue

The man is like a drug  
Humiliating and I can't get enough  
Love in all its splendor  
Surrender its every blow

Baddest blues that I know

If this is love, what was I thinking?  
If this is love, what the hell am I, am I gonna do?  
And that man, he's got me sinking  
To the bottom of the blue

It's what I choose  
Love is the baddest blues

The joy versus the pain  
No, my joy, it ain't the same  
So I put it plain and simple  
Just like front page news

Love is the baddest blues  
Love is the baddest blues

If this is love, what was I thinking?  
If this is love, what the hell am I, am I gonna do?  
And that man, he got me sinking  
To the bottom of the blue

Guess that I, I'll lose  
Love is the baddest blues
