Headlight watching,
Sick of talking,
Shut your mouth and drive.

Feels like leaving,
there ain't to reason,
we can't still get high.

Roll down the windows,
unlock the door,
Don't care if you love me anymore..

[chorus]
Baby just drive, just drive
Cuz baby tonight,
I don't wanna fight
I just wanna watch you drive,
watch you drive, watch you drive

Got your girlfriends letter,

she ain't no better, but
I'm the only woman tonight and
I'm choking on trouble,
So pass me the bottle.
Shut your mouth and drive..

Roll down the windows,
unlock the door,
Don't care if you love me anymore..

[chorus]

I can keep your secrets
and I'll believe your lies
Anything to keep you one more night
It's all right.

[chorus]
