"God Bless You"

I love you and all that you do
I need you to see me through
I want you and I say
Oh and god bless you

She told me you're going away
I said how can I make you stay
I love you and I say
Oh and god bless you

If I call out your name
could you hear me calling
if I said that it's wrong
would you say I'm falling
if I told you the truth would you
stay
say ya say ya

I love you and all that you do
I need you to see me through
I want you and I say
oh and god bless you

I could wait a lifetime to see
the sunrise but I would never
wait so long to see you all right
and make you know won't you just
stay
say ya say ya
