God only knew, how much I loved that man

Ain't no words to say, the way I feel
It's like a bad dream, but it's real
It seems like only yesterday
We were talkin', in the most familiar way

Now everybody, knows the way I am
They all see right, through my show
I aimed so high, now I'm so low
(So low)
I'm all dressed up, and I got nowhere to go

God only knew, how I loved that man
I would have died for you, I guess he'll never
understand
I loved you right or wrong, it was you all along
Heaven knows that it's true, hard as it's been
I'd do it all over again
(Over and over, and over again)

I say goodbye to dreamin'

(Dreamin')
It's only water, in my hands

Over, and over, and over
And over, and over, and over, and over
And over again

So when you see me, walkin' down that street
Don't ignore me, if I speak
'Cause I knew you better, than anyone else
And I loved you more, than you could ever know
yourself

God only knew, how I loved that man
(Why don't you tell me 'bout it)
I would have died for you, and I guess he'll never
understand
Loved you right or wrong, it was you all along
Heaven knows that it's true, hard as it's been

(Heaven knows)
I'd do it all over again

Over, and over again
Over, and over again
Over, and over again
